THE ANGLO-BRAZILIAN SCHOOL

VILLA MARIANNA

S. PAULO

The school will open in the new premises at Villa Marianna on 1st July next. All communications before that date should be directed to the present address as given below.
 The grounds, at the new site, cover an area exceeding 50,000 square metres, and are situated in the healthiest and highest suburb of S. Paulo. Sixteen trains pass the door every half hour, which are shortly to be substituted by the electric cars.
 The boys are encouraged to play cricket and football and other healthy games, while the quality of the food, including milk, oatmeal porridge, etc., will be unexcelled. The boarders are under the special care of an English lady whose family resides in the school.
 The course of study adopted is such as to prepare boys for the English universities and for commercial life at home or in Brazil, the principal being assisted in the teaching by Mr. A. C. Sinter, B.Sc., and other masters, English, German and Brazilian.
 The new prospectus is now ready and will be forwarded at once to those who apply for it.

"I send you by parcels post a Dunlop Tyre which has had a record experience, having been in daily use on the back wheel of my bicycle since 1896, and done fully 15,000 "tropical" miles. The front tyre like Charley's Aunt, is still running and absolutely flawless, although fitted at the same time as the one now sent to you. I think this fact speaks volumes for the durability of your tyres."

THE RIO NEWS.

This paper is now in its 26th year having originally been published as *The South American Mail* and *The British and American Mail*. It assumed its present title at the beginning of April, 1875, when it was published three times a month. From a tri-monthly it has been changed to a weekly publication, and from four pages it has been increased to twelve.

As an advertising medium *The News* occupies an exceptionally advantageous position. It circulates widely throughout Brazil, and also in Europe and the United States. Its subscribers are principally business men interested in Brazilian trade, industries and investments. No other periodical, even with much larger circulation, can offer better inducements to advertisers who seek the attention of these classes.

All communications should be addressed to the Editor and Publisher, **Caixa do Correio, 258, Rio de Janeiro.**
